## TO THINK POLITICALLY IS A HARD JOB

You don't have to take what the other fellow says politically. Read, think and act for yourself. First it should be made the principles and next the individual candidate should appeal to the mind of the voter. Does he stand for the things which you believe are for the best interests of the State, and will he carry out those principles if elected. This should be measured by the individual voter.—Hartford Republican.

We have quite a number of names on our subscription list that are not paid. We don't like to stop anyone's paper, but will be compelled to unless their subscriptions are paid.—Fordsville Argonaut.

### Thanksgiving Day.

President Taft will designate Thursday, November 30, as Thanksgiving Day this year. It has always been the custom to fix the last Thursday in the month. This year there has been some doubt because November happened to include five instead of four Thursdays. The White House has been besieged by theatrical managers and those in charge of college football games to settle this doubt so that definite arrangements could be made for the usual array of special performances and sports that mark the day.

### Sure A Crime

The American Tobacco Company has been charged with a good many crimes but the worst by far is the infliction of the deadly cigarette on humanity.—Rockport Journal.

### Fall Styles For Men In Danville.

The fall styles of clothing for men have arrived in this city. The appropriate color for fruit growers this year will be an orange brown, while aviators will wear in sky blue serges and hash slingers will wear pepper and salt. ## HENDERSON ROUTES DEFEAT COCA-COLAS

Take Both Games Labor Day By Fast Playing. Morning Affair One-Sided--Afternoon Contest Best Of Season:

### LARGEST CROWD OF SEASON

Monday the Henderson Routes again showed their class as an aggregation of ball-tossers by taking two games from the fast Coca-Cola team, of Owensboro. Truly, Labor Day was a day of joy for every member of the local team and all Cloverport fans who witnessed the double victory.

#### MORNING GAME

Only a small crowd was in attendance at the morning contest. It was a slow, uninteresting and poorly played game. The Henderson Routes rapped the pill to all corners of the lot and won easily, 13 to 2. Furrow's twirling was a feature. He caused eleven Coca-Cola batsmen to split the sunshine.

The score: R. H. E. Cloverport.....0 0 8 0 0 4 0 0—12 13 2 Owensboro.....0 0 0 0 0 0 2 0—2 7 Batteries—Furrow and Wilson; Staples Scott and Daniels. Two-Base Hits—Lewis. Stolen Bases—O'Brien, Graham, Glass, Connor 3. Bases on Balls—Off Furrow 1, off Staples 1. Struck Out—By Furrow 11, by Staples 3. Time of Game—2 hours. Umpire—Polk.

#### AFTERNOON GAME

One of the largest crowds that has ever gathered at West End Park was on hand for the second exhibition. The weather was ideal for base-ball and the game was by far the fastest and snappiest that has been played here this season. Manager Freeman chose Clyde Hall, of spit-ball fame, to officiate on the mound and sent "Stogie" Lyons behind the bat to receive him, while the Coca-Colas relied upon Daniels to do the heavy work with Scott behind the bat.

Although Hall was hit for nine bingles he kept them well scattered and was effective in tight places. With the perfect support given he pulled out of several holes when it seemed that the popular beverage men were certain to score. After the first session Daniels twirled superb ball.

The Railroad Boys got busy in the first inning and by bouncing hits scored a trio of runs and annexed another run in the fourth. The "Dopes" came back strong in the second and scored twice after two were out. The bottle goods men also sent runners across the home plate in the fourth and fifth sessions, tying the score.

Things remained in this shape until the ninth with both sides working like bumble bees in a field of clover blossoms. In their half of the ninth the visitors crowded the sacks and came near counting, but near was all.

When the Henderson Routes came to bat in the ninth they had to do or die. This was the way they did it. Gibson was out, Daniels to Feldman. Graham singled, Lewis, the famous pinch hitter, batted for Tucker and connected with the second ball thrown for a smushing drive to left. "Penny" romped to third, Hall put a stop to his own game with a neat sacrifice.

The score: R. H. E. Cloverport.....3 0 0 1 0 0 0 1—5 9 3 Owensboro.....0 2 0 1 1 0 0 0—4 9 4 Batteries—Hall and Lyons; Daniels and Scott. Two-Base Hits—Lyddan, Lyons, Carr, Boyd 2. Bases on Balls—Off Hall 4, off Daniels 1. Struck Out—By Hall 7, by Daniels 3. Wild Pitch—Hall. Double Play—Connor. Time—1:45 Umpire—Polk.

### Quails Worth \$5 Each To The Farmer.

The quail is the greatest destroyer of insects known. He rids the field of worms and bugs that devastate the crops; he is the farmer's friend, and, being the friend of the farmer, he is the friend of the people of the towns and cities, for the people of the towns and cities must depend upon the farmers of the nation for everything—food, clothing and life. IF THE QUAIL IS THE FARMER'S FRIEND—THE WATCH DOG IN FIELDS OF GRAIN—WHY SHOULD HE BE SLAUGHTERED? It has been estimated by Government experts that a single partidge is worth \$5 each season to the country. Is it worth that much to the man who kills it?—LaRoe County Herald.

## CUSTER PEOPLE

Are Anxious For Pike From Irvington—Pledge Their Interest At The Good Roads Meeting Saturday

Following the A. B. Nichols colt show which was held at Custer Saturday afternoon, Sept. 2, a most enthusiastic good roads meeting was held. Between three and four hundred interested men, women and children were present and gave earnest attention to the address delivered.

The Custer people are anxious to see the construction of this pike begun and are looking forward to its completion as an inducement to Grayson county to take up the work and complete a cross country highway connecting Irvington and Leitchfield.

The subscription fund at this meeting was augmented by the names of many substantial men who pledge their support to the cause.

There is no more picturesque section of the state than this portion through which this proposed route extends and with its completion to Leitchfield the automobilist will find a vast field of pleasure opened. The citizens of the Custer community will do their part having pledged themselves to build the last five miles of the pike.
